CURRENT SITUATION

Allegheny County Health Department:

- Scaling back from the large community PODs. Still operating on a limited basis at RMU in Moon and Central Baptist Church in the Hill District. Planning final second dose clinic at Bethlehem Baptist Church in McKeesport.
- Online appointment registration still available for limited sites:
 - <https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/COVID-19-Vaccine-Information.aspx>

Information accurate as of 1200 hours today
CLEARED FOR PUBLIC DISSEMINATION

- Focusing on additional community-based, targeted PODs for underserved populations.
- Discontinued food facility assessments for compliance with COVID restrictions since the restrictions have expired.
- Allegheny County GIS developed a vaccination provider map here:
 - <https://experience.arcgis.com/experience/8c541d5f4d19438294714cbf3e4abfac/>
- ACHD continues to provide updated guidance at the following link:
 - <https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/Information-for-Specific-Groups/Information-for-Specific-Groups.aspx>

Allegheny County Emergency Services:

- Continue allocation and warehousing of critical PPE.

Allegheny County Department of Human Services:

- Continue to assist with vaccine information and roll out; Providing guidance, messaging, and staffing assistance as needed.
- Continue to push put rent relief messages. Applications for new federal rent and utilities relief funding are available.
- Continue to monitor and update guidance for Congregate and Long-term Care providers and providers conducting in-person operations.
- Isolation and quarantine facilities continue to operate for shelter and congregate care residents.
- Continue to address an increased number of calls for assistance to the Senior Line. Despite increase, assistance remains stable.

Vaccine Distribution:

All Pennsylvania residents are currently eligible for vaccination. The Allegheny County Health Department is currently offering the Moderna (ages 18 and older) and the Pfizer (ages 16 and older) vaccine at several sites throughout the county.

Individuals may also call PA 2-1-1 Southwest, powered by United Way, from 9 AM to 7 PM daily for assistance in making first and second dose appointments.

CRITICAL INFORMATION REQUIREMENTS:

Vulnerable Care Facility Issues:

- None known at this time.

Positive Cases with First Responders (*impacting service delivery*):

- None known at this time.

Fatalities in excess of capabilities:

- None known at this time.

Critical Infrastructure Issues:

- None known at this time.

Food/Feeding Program Issues:

- None known at this time.

Vaccination site weather-related impacts:

- None known at this time.

ESSENTIAL ELEMENTS OF INFORMATION:

Anticipated Unmet Needs:

- None known at this time

Known COVID-19 Testing Sites:

- Allegheny County Community-Based Testing Information:
<https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/Information-on-COVID-19-Testing.aspx>
- Map with locations is available at:
<http://alcogis.maps.arcgis.com/apps/Nearby/index.html?appid=472bad5ba19f4247a094d55e712195c8>

Shortages in transients lodging:

- None known at this time.

Abandoned Pets/Domestic Animal Issues:

- None known at this time.

Government absenteeism impacting operations:

- None known at this time.

COVID-19 fraudulent information (*Fake test kits, fake checks, distribution of kits outside normal channels, etc.*):

- None known at this time.

ACCOMPLISHMENTS (previous 7 days):

Allegheny County Health Department:

- [Demobilized the Ross Township POD after a final second-dose clinic.](#)

Allegheny County Emergency Services:

- [ACES-EMA Staff have returned to the office, full-time/normal operations, as of 01JUNE2021.](#)
- Continued support of ACHD activities and other partner organizations.

Allegheny County Human Services:

- The utilities portion of the rent assistance program is now available. Those who need utilities payment assistance can log back into their account if they've already applied for rental assistance and indicated a need for utilities assistance as well, or new assistance seekers can apply as part of the regular rent relief process at: <https://covidrentrelief.alleghenycounty.us/>
- Sent informational updates on the new rent relief funding; collecting email addresses/phone numbers of interested potential participants.

CHALLENGES:

Allegheny County Health Department:

- [Identifying those area where small PODs could effectively vaccinate hard-to-reach populations.](#)

Allegheny County Emergency Services:

- None known at this time.

Allegheny County Human Services:

- Ensuring a smoother roll out of new round of rent relief funding, especially for those who are not digitally connected or harder to reach communities.

PLANNED ACTIVITIES (next 7 days):

Allegheny County Health Department:

- Continue to assess and adjust operations going forward.

Allegheny County Emergency Services:

- [Planning for the After Action Review of the COVID-19 EOC.](#)
- [Working with ACHD to utilize EMS for vaccination clinics and shut in patients.](#)
- After Action Review of the CBTS has begun in order to evaluate recommendations for improvement as it may relate to future operations and mass vaccination.

Allegheny County Human Services:

- Informational materials will be made available to providers to help promote the program.
- We continue to push information about the program out to people who have signed up for emails and texts.

RUMOR CONTROL:

- FEMA COVID-19 Rumor Control webpage: <https://www.fema.gov/coronavirus-rumor-control>
- Allegheny County COVID-19 Rumor Control webpage: <https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/Rumor-Control.aspx>.

ADDITIONAL INFORMATION:

- **Allegheny County First Responder COVID-19 Screening Help Line: 412-681-6669, Option 3**
 - Questions regarding potential First Responder exposure and procedures can call the above number.
 - This Help Line can now set up testing for first responders.
